

WPCC Financial Newsletter

Dear all

We hope this newsletter finds everyone well!

Each year we have the support of other charities, businesses, County Councillors and others. Without their support, WPCC could not offer the service that we do.

Money donated to WPCC is used for many different activities - it could be for training, wellbeing sessions, one to one support / signposting, coffee mornings for parent carers, days out for the whole family, or youth sessions for the young people.

During the lockdown of Covid 19, we have had to adapt our way of working. At the moment, we can no longer offer events, so we have moved to more online support, using email, Messenger, Facebook and Zoom, and of course the good old fashioned telephone call.

During Covid-19, we have produced extra newsletters (initially weekly, now monthly) for our members, instead of the quarterly one we would normally send to members and agencies. These newsletters have been very well received by our members, with a quote of the week, ideas to help with home schooling, mental health, recipes and fun things for the whole family to do online.

We have started to look at providing some activities for families, but this is proving difficult due to restrictions on the numbers of people at events

However, we are starting with two day sessions instead of our normal residential event for our youth group.

The reason why we did not hold the residential is that some parent carers expressed concerns over Covid-19 and overnight stays in shared accommodation. As always we take on board our members concerns.

The first session is to be held on Saturday 15th August and the following session is 22nd August 2020.

We hope that next year we can return to our normal residential as the young people get so much from the few days that they are away.
